

Alyson A. Martins

Full Stack Developer

PRESENTATION

Hello! I'm Alyson A. Martins, a 30-year-old Brazilian Full Stack Developer and CTO.

My passion for programming started at the age of 15 as a self-taught coder. I have extensively worked with major JavaScript frameworks, creating robust and engaging applications. Additionally, I have significant experience in developing mobile applications for iOS and Android using React Native, with a focus on optimal user performance.

My career reflects a constant commitment to learning and innovation in software development.
